Re: Application Number 10/814,033

Dear Ms. Nguyen,

I am writing in response to the recent Office Action Summary dated November 13, 2006 concerning the above application. Below I set forth my responses to such Office Action Summary.

**Election/Restrictions:**

Applicant is required under 35 U.S.C. 121 to elect a single disclosed species for prosecution

**Responses:**

To reply this requirement, the second cushioning strip comprising a leather material, natural or artificial is elected. Meanwhile, both claims 12 and 13 are cancelled.

Attached are the corrected pages of claims for the current application. I would greatly appreciate it if you could update your records to reflect the corrections for the above patent application.

Thank you for your assistance in this matter.

Yours truly,

  
Mr. Yung-lung Tseng
